FOR IMMEDIATE RELEASE

Althing Clinic Announces Grand Opening of New, State-of-the-Art Health Center in Albert Lea, Minnesota

ALBERT LEA, MN – January 12, 2026 – Althing Clinic, a leader in high-efficiency, technology-driven healthcare, is proud to announce the grand opening of its newest health center in Albert Lea, Minnesota, on February 1, 2026. This expansion represents a significant milestone in Althing's mission to provide accessible, high-quality, and affordable medical services to communities throughout the region.

New Access to Comprehensive Care

The Albert Lea facility is designed to be a one-stop health hub, addressing the growing demand for reliable and convenient medical services. By combining cutting-edge technology with a patient-first philosophy, Althing is introducing a level of access previously unavailable in the area.

Services offered at the Albert Lea location include:

- **Mental Health Services:** Immediate and future-focused behavioral health support, including the proactive AIRs program.
- **Primary Care:** Comprehensive wellness and chronic disease management.
- **Urgent & Convenience Care:** Rapid treatment for non-life-threatening illnesses and injuries.
- **On-Site Labs:** Streamlined diagnostic testing for faster results.
- **Same-Day Appointments:** Dedicated to ensuring patients are seen when they need it most, without the typical long wait times.

The Althing Difference: Quality and Innovation

Althing Clinic is not a traditional medical office. Featuring the world-leading **Phrazer/Kitsune (PKS)** patient engagement platform, Althing empowers patients to author their own medical charts in total privacy. This system ensures 99% accuracy in medical records, in all languages and literacies and provides a "never alone" experience where care providers are constantly engaged with the patient's needs.

"We are thrilled to join the Albert Lea community," said Ariel Martin Althing Clinic Manager. "Our model is built on the belief that quality healthcare should be affordable, efficient, and respect the patient's time and privacy. By opening this center, we are ensuring that residents of Albert Lea and surrounding region have a partner in health that offers the most advanced care in a convenient, local setting."

Affordability and Insurance

Althing Clinic is committed to making high-quality care accessible to everyone. The clinic accepts all major insurance payors and works diligently to ensure that financial barriers do not prevent residents from receiving the care they deserve.

Grand Opening Details

Residents are invited to visit the new facility starting February 1st. Althing Clinic's Albert Lea location is prepared to begin taking appointments immediately, bringing a new era of proactive and professional healthcare to the community.

About Althing

Althing *creates innovative solutions* that lead to equity, access, and modernization of healthcare *in rural communities*. Althing's commitment to access is highlighted in its clinic, school district and home health solutions. Whether serving *diverse populations* or proactively bringing health services to the community, Althing holds to its principles: equity, quality, access, and value.
